Pallet Order Program Available on Paint:

Pallet orders will be processed for shipment direct to from Linemark's warehouse in Chicago. Lead time is days. Fresno's inventory will be for smaller shipments.

Discounts:

- 1 Full Pallet: 5% Discount and Free Freight.
- 2 Pallets or More: 7% Discount and Free Freight.

Definition of a pallet:

- 160 on the 1.32 gallon containers
- 75 on the 2.64 gallon containers

Mixing of colors as well as the Flush Thru Detergent is allowed if full order meets the pallet qty. count. In the event that you are selling Detergent with a 1.32 gal. container pallet, subtract (2) 1.32 containers of paint for each 2.64 gal. container of Detergent being ordered.

Processing Notes:

Even though product will be drop shipped, they will still on a Fresno order number for CA and Kent for the

Overall Notes:

The Impact XP paint is especially great for first time applications and is "Stadium Quality Paint".

The Impact paint is for budget conscious people or repetitive applications and is primarily used in cities, parks and
